

Children's Day

Read the passage below and answer the following questions.

Children's Day is a special day dedicated to celebrating and honoring children around the world. It is a day filled with fun activities, games, and events that are specifically organized for children. Children's Day is a time to recognize the importance of children in society and to promote their well-being and happiness. It is a day when children are encouraged to express themselves, showcase their talents, and enjoy being young. Many schools and organizations plan special programs and surprises for children on this day. It is a joyful occasion that reminds us to cherish and nurture the younger generation.
