RIDDLES

Why was the math book sad?

Because it had too many problems!

What do you call a monster that loves books?

Frankensteinstins!

What did one library book say to the other library book?

Let's cover some new chapters together!

What kind of books do rabbits like?

HOP-ographies!

Why don't books go on vacation?

They prefer to stay on the shelf and have a "stay-cation"!

What's a book's favorite game?

Hide and read!

What type of books do skunks read?

Best-smellers!

What do you call a book with no words?

A quiet read!

What do you call a book that's shy?

A closed book!
