

# MUSEUM

## SCAVENGER HUNT

### TOUR GUIDE

I am a person who guides visitors through the museum. You can ask me questions and learn interesting facts.

### GALLERY

I am a large and magnificent room where art is displayed. You can find famous paintings and sculptures in me.

### AUDIO GUIDE

I am a machine that plays recorded information about artifacts. You can listen to me to learn more about the exhibits.

### AUDITORIUM

I am a platform or stage where performances and presentations take place. You can watch shows and lectures on me.

### CONSERVATORY

I am a large glass structure that lets in natural light. You can find plants and artwork inside me.

### PROJECTOR

I am a device that projects images and videos onto a screen. You can watch educational films in the museum using me.

### ART LABEL

I am a small sign that tells you the artist's name and the title of the artwork. You can find me next to paintings.

### SUGGESTION BOX

I am a box where visitors can leave their feedback and suggestions. You can share your thoughts with us in me.

### CAFE

I am a place to rest and eat inside the museum. You can enjoy snacks and beverages in me.

### SCANNER

I am a machine that scans artifacts and documents their details. You can use me to create digital records.

### STATUE

I am a sculpture made of bronze or marble. You can see me in the museum's outdoor garden.

### MUSEUM STAFF

I am a person who works at the museum and helps visitors. You can ask me for directions and information.
